

Hydro-JULES Summer School 2020

# Modelling hydrology and global change

13-17th July 2020

Applications will be accepted until **23:59 on 30th April 2020**, after which they will be evaluated by a panel selected from the organisers of the Summer School. A maximum of 15 participants can be accepted to attend. It is anticipated that applicants will be notified of the outcome of the application by 15th May 2020.

To apply to this year's Summer School please email Heather Trevis on [HydroJules@ceh.ac.uk](mailto:HydroJules@ceh.ac.uk) with the following:

- This completed **application form**
- A **statement of interest** in the Summer School including why you would like to attend and how attending would help in your current or proposed work (max. 250 words)
- A **short CV** (max. 1 page)
