

Hydro-JULES School

Modelling hydrology and global change

Please check the closing dates of the summer and winter school programme that you are applying for as applications after the closing date will NOT be accepted. Applications will be evaluated by a panel selected from the organisers; and applicants notified up to four weeks after the closing date. A maximum of 30 participants will be invited to attend each school.

To apply to the Hydro-JULES School programme, please email hydrojules@ceh.ac.uk with the following:

- ✓ A completed **application form**
- ✓ A completed **data protection form**
- ✓ A **statement of interest** outlining why you would like to attend and why your attendance would benefit you in your current position or proposed work (max. 250 words)
- ✓ A **short CV** (max. 1 page)

Please contact hydrojules@ceh.ac.uk if you require any assistance.

Application for Hydro-JULES School

Please use this application form if you are applying to the Hydro-JULES School programme. The content for both the Summer and the Winter school is very similar, so please only apply for ONE.

INSTRUCTIONS

Section 2 – Data Protection

UKCEH is committed to ensuring the security and protection of the personal information that we collect or process, and to provide a compliant and consistent approach to data protection. By signing this application form you agree to the personal information above being stored on a secure server for the purposes of communicating with you on issues related to the Hydro-JULES School Programme and/or the Hydro-JULES project.

Your personal information will not be used for marketing or commercial purposes. Your data will be removed and deleted one year after completion of the Hydro-JULES programme, in compliance with [UK CEH's data retention policy](#), except for any images (photographic or video) that are published with your consent.

If you have any questions related to UKCEH's General Data Protection Regulation (GDPR) or DPA 2018 compliance, please contact cehdataprotection@ceh.ac.uk.
